PART IV. WRITING

~~Dear~~
Hello,
Dear administration! I'm going to apply to an English college. I have some questions for you. First of all, what is the cost of education? Can I pay in installments? Secondly, what facilities do you provide? I mean, do you have a hostel? Is it possible to enroll in distance learning? If you have a hostel, write back about ~~the~~ its conditions. And the last thing I want to find out is clubs. I fond of ^{doing} sport. I like playing active games, and I would like to join a sport club.

~~Write back~~ Thank you for your attention!

PART IV. WRITING

Dear Sir,

I'm writing to express my interest in applying for the computer courses currently offered by your institution. Before I proceed with my formal application, I would like to clarify a few details regarding the educational program.

Firstly, could you please tell me the exact duration of the course and the weekly schedule?

Secondly, I would like to know the maximum number of students in a single group, as I am looking for a focused learning environment.

Could you specify which programming languages will be taught in the curriculum?

Finally, I would appreciate if you could inform me about the total tuition fee and whether there are any options for monthly payments.

Thank you for your time and assistance. I look forward to hearing from you soon.

Best wishes,
Ann

PART IV. WRITING

Dear Sir or Madam,

I'm writing because I would like to apply to your college. I'm very interested in studying in England, and I would like to ask you a few questions.

Firstly, could you tell me what facilities your college provides? Do you have a library, a gym and a swimming pool?

Secondly, I would like to know more about the dormitory. Do students have their own rooms, or do they share them?

I would also like to know how much the education costs per year and whether there are any scholarships available.

Finally, could you tell me what clubs and societies students can join? I'm particularly interested in sports and music.

Thank you for your time. I look forward to your reply.

Yours faithfully,
Dima
